

Key-Systems expands

## **Key-Systems with new US branch**

**The German Key-Systems GmbH is pleased to announce the hiring of Bonnie Wittenburg as the new Executive Vice President of Key-Systems USA, Inc. The newly founded US subsidiary of Key-Systems is based in Dulles, Virginia in the Washington Metro area.**

Having worked for Network Solutions, VeriSign and Iron Mountain in the past, Ms. Wittenburg is a highly respected manager in the domain industry with more than 10-years working experience.

With Key-Systems, she will manage and lead the companies expansion in the United States. The addition of Ms. Wittenburg will enable Key-Systems to concentrate on US customers by providing more direct access and support.

Key-Systems was founded in 1998 by Alexander Siffrin and now occupies a leading position in the market as an ICANN accredited registrar currently managing more than 2.5 million domains. Additionally, Key-Systems provides fully automated reseller-systems and webhosting solutions.

“I am convinced that Key-Systems is in a unique position to deliver sound domain name solutions through the use of technology and deep market experience” states Ms. Wittenburg. “The opening of the US Division signifies Key-Systems’ commitment to delivering world-class service

and readiness to meet new challenges in the domain industry.”

“We are very excited to add Bonnie to our organization,” says Mr. Siffrin, CEO of Key-Systems. “Her passion for the industry and for meeting the needs of her clients will be the foundation of our future success in the US.”

#### **About Key-Systems**

Key-Systems GmbH located in Zweibrücken, Germany, was founded by Alexander Siffrin in 1998. The company has grown from an academic sideline to a successful international ICANN accredited registrar for internet addresses. Areas such as a fully automated reseller-system and webhosting completed the success story. With today more than 2.5 million domains under management, the company has reached a leading market position, selling domain names, webhosting and DNS services to customers all over the world. The latest product BrandShelter.com offers companies and institutions special services related to the domain administration including services to get 'their own TLD' in the future. Since May 2009, Key-Systems has also an US branch: Key-Systems USA, Inc. is located at Wilmington, Delaware.
